**Address / Email:**

Dear

**Request Under Freedom of Information Act 2000**

Thank you for requesting information under the Freedom of Information Act 2000.

Request

Please can you let me know if the Dudley NHS Foundation Trust Ophthalmology department offers a Colorimetry eye test that uses an Intuitive Colorimetry machine with coloured filters to help identify the precise colour of lenses that can minimize visual stress and improve reading? If Dudley NHS Foundation Trust does not offer Colorimetry are there any other NHS Trust within the West Midlands that do? I would like to know if I can get this done through the NHS or if I would need to go private.

Response

We do not offer a Colourimetry service at The Dudley Group NHS Trust.  
The only NHS Trust we know in the area that provides this service is The Shrewsbury and Telford Hospital NHS Trust.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
