PRESS RELEASE

30th November 2017

Teams will be dressing up as Santa and competing in a 26 mile static relay cycle race to raise funds to support our End of Life Campaign on Tuesday 5th December 2017.

Diane Wake, Chief Executive of the Trust will be starting the race at 10.30am.

“Our staff are passionate about making things better for our patients. And we are looking forward to putting on our Santa Suits for this great cause,” said Diane.

The Santa Dash is the first of its kind for the Dudley Group and will be raising funds for special LED Ceiling Panels to improve the environment for those patients at the end of their life.
