For each questions 1-4 please select one answer only by mark your relevant answer with an "X" in the column marked X

Question	Answer (please select one answer for each question)	X
1. Does the trust have an EPR system currently implemented?	A. Yes	x
	B. No - the trust does not have an EPR system	
2. What kind of EPR system is implemented in the trust?	A. Single supplier system	
	B. "Core" plus connected departmental systems	x
	C. Best of breed approach (components from different suppliers) with a portal	
	D. Other - please explain	
	E. N/A - the trust does not have an EPR	
3. If not already in place, by when does the trust expect to have implemented an EPR that will enable it to become paperless or paper light?	A. 2013-14	
	B. 2014-15	
	C. 2015-16	
	D. 2016-17	
	E. 2017-18	
	F. Beyond 2018	
	G. Don't know	
	H. EPR is already in place	x
4. If the trust is planning to implement a new or replacement EPR system, will it be looking to use:	A. Single Supplier system	
	B. "Core" plus connected departmental systems	
	C. Best of breed approach with a portal	
	D. The trust doesn't know yet	
	E. Other – please explain	
	F. N/A – the trust already has an EPR in place	x

5. Please answer this question only if the trust has implemented a single or core EPR system (if you selected A or B in question 2):

Question	Answer
A. Which EPR supplier does the trust use?	Siemens Healthcare
B. What is the name and version of the EPR system?	Soarian
C. When was the system installed	2005
D. What is the length of system contract?	March 2020
E. How many licenses does the trust have for the system?	Site wide

6. Please detail the trust's actual spend in FY 12-13, its budgeted spend for FY 13-14 and its planned spend for FY 14-15 on EPR systems (including any implementation, system support and maintenance costs). If the trust has not spent anything on EPR systems in a financial year, please confirm by entering "0".

	FY 12-13	FY 13-14	FY 14-15
EPR System spend			

The Trust purchases its IT services through a PFI Contract, the Trust pays a monthly sum for all soft and hard FM services (including IT). We do not have a breakdown of the sum paid for the EPR system.

7. Please select the appropriate option for each of the software capabilities listed in the tables below to indicate whether the trust either has:
   - No system in place
   - A system exists, but it does not integrate with the EPR system
   - It is part of the EPR system
   - It integrates with the EPR system

   Please mark your answer for each software capability in the appropriate column with an X

Core EPR capabilities	No system in place	System exists, but it does not integrate with EPR system	Integrates with the EPR system	Part of the EPR system
PAS			X	
Order Communications				X
Diagnostic reporting				X
Discharge letters				X
E-Prescribing				X
Scheduling			X	

Departmental EPR capabilities	No system in place	System exists, but does not integrate with EPR system	Integrates with the EPR system	Part of the EPR system
A&E			x	
Maternity			X	
PACS			X	
Pathology			X	
Pharmacy			X	
RIS			X	
Theatres			X	

Additional EPR capabilities	No system in place	System exists, but does not integrate with EPR system	Integrates with the EPR system	Part of the EPR system
Community PAS		X		
Simple BI		X		
Cardiology		X		
Oncology		X		
Document Management		X		
Clinical Portal		X
