FREEDOM OF INFORMATION ACT 2000 - Ref: FOI/012217

With reference to your FOI request that was received in connection with 'Management consultants', please see response below.

Can you tell me how much the trust has spent on management consultants each year over the past 10 years?

Please see below.

The information only goes back 9 years. Information for the final year is in paper format and has been archived, to get this information would take approximately 4 to 5 days as someone will have to go through each invoice to collate the information. If you would still like this information the Trust will put a cost together.
