

Trust Headquarters  
Russells Hall Hospital  
Dudley  
West Midlands  
DY1 2HQ

Date: 01/07/2015

**FREEDOM OF INFORMATION REQUEST Ref: FOI/012282 - 10 mph speed limit signs**

Could you please confirm when the current 10 mph speed limit signs on the road outside the hospital were erected and whether there were any such signs in place before the current signs.

The Trust cannot find any documentation that specifies when the signage and speed limits were erected. To the best of our knowledge the signage and speed limits are unchanged from the completion of the PFI build in 2005.
