If your Trust has bought equipment to treat Ebola, can you specify what it includes, and what training has been given

- **The equipment purchased was in accordance to National guidelines and included full body suits, wellingtons, full length green disposable aprons, full face visors, theatre hats.**

**Two members of staff have attended the Health Protection England train the trainers course (no cost) to ensure that all PPE was used within the safest and appropriate manner. Training has been given to the Infection Prevention & Control team as well as nursing and medical staff on specific wards and also the Emergency Department.**
