FREEDOM OF INFORMATION REQUEST 012450 – Dialysis patients

May I make an enquiry please? I understand that Dudley provides dialysis for some patients. Could you please inform me if patient transport is provided free for renal dialysis patients ?

Yes – patient transport is provided for free for renal dialysis patients, however this is paid for by the Clinical Commissioning Group (CCG)

Would you mind also indicating how many renal dialysis patients Dudley has ?

The Dudley Group NHS Foundation Trust currently have 240 renal dialysis patients
