UNDER 25's CLINIC Every Wednesday 3:00 till 5:30

The Contraception and Sexual Health Service offers a none judgmental service for our clients. We have a dedicated Under 25's clinic designed with younger person in mind. They are every Wednesday between 3pm and 5:30pm at the Brierley Hill Health & Social Care Centre, **you can either walk in or book**. Please feel free to attend any of our other clinics too as we will be happy to see you...

Brierley Hill Health & Social

Dudley—Central clinic

Mon 12.00pm till 7.30pm

Thursdays 1.30pm till 4.30pm

Halesowen Health Centre

Weds 5pm till 8:00pm

Emergency contraception is useful when you have not used any method of contraception, or your usual method has failed. It is NEVER 100% effective, but the sooner you take it, the better it is likely to work. You have up to 5 days to get emergency contraception free from us.
