FREEDOM OF INFORMATION REQUEST 012499 – baby scan pictures

1) The charges for ultrasound baby scan pictures for the years 2011, 2012, 2013, 2014, and 2015 until now (how much you charge expectant Moms/dads)

2011 - £3.00
2012 - £3.00
2013 - £3.00
2014 - £5.00
2015 - £5.00

2) The figures for how much profit has been made from the ultrasound charges for each year from 2011 to now.

The Trust makes no profit on ultrasound baby scan charges, the fee is to recover costs.

3) An explanation for why the charges were increased (if they did so)

We charge for a nominal fee for ultrasound pictures to help cover the cost of printing the images and the pricing was due for review hence the increase to help cover costs
