FREEDOM OF INFORMATION REQUEST 012727 – Security called to dementia patients

1. In 2015, how many times were security guards called to deal with patients with dementia?  
In 2015, The Trust's incident reporting tool, DATIX was unable to provide an electronic report which separated the figures for incidents that security guards were called to attend, between incidents for patients with capacity and patients without capacity.

2. If possible, please state the reason in each case.  
Information not available

3. If possible, please state what extra equipment was used such as handcuffs or restraints.  
Information not available
