FREEDOM OF INFORMATION REQUEST 012740 – Electronic patient record

1. Do you currently have an Electronic Patient Record system(s) in place?

Yes

2. Can you provide a name for the system(s)?

Cerner Soarian Clinicals

3. How much are you currently spending on this system annually for licensing and support fees?

Exemption 43 (2) applied given the Trust are currently going through a commercially competitive tender process for a EPR solution and it would likely prejudice the commercial interest of this process. The public interest test set out in section 2(2)(b) supports application of exemption 43 (2) given there is a greater public interest in maintaining the exemption 43 (2) outweighing the public interest in disclosure to ensure the Trust gets best value for money.

4. What is the date of contract expiry for the system(s)?

December 2016

5. How many users? (An estimation if unsure)

Approximately 3500

6. How is your system hosted?

Internally hosted - Trust Data Centre

7. Who is responsible for your local implementation of the objectives set out by the NHS in the Five Year Forward View?

Trust Board
