

**PRESS RELEASE**

Thursday 16<sup>th</sup> March 2017

**Calling all nurses and AHPs – come and join us!**

The Dudley Group NHS Foundation Trust is holding a Nurse and AHP recruitment open day on Saturday 25th March 2017 at Russells Hall Hospital, to attract nurses and AHPs in a variety of specialities to join its team of award winning staff.

“To work at The Dudley Group is to be part of something special. Our patients rate us with 4 out of 5 stars on NHS Choices and most wards receive a 100 per cent rating from inpatients who would recommend us when taking part in the Friends and Family Test,” said Dawn Wardell, Chief Nurse for the Trust.

“We need more amazing and talented nurses and AHPs to join our committed staff to help us build on our successes, and so we are opening our doors to tempt home-grown talent to come and join us.”

Our hospitals are among some of the most technologically advanced in the country; our buildings are modern and purpose-built, and we use state-of-the-art equipment.

Those joining our Trust will benefit from our strong reputation for leading the way in innovation and quality improvement. On the day there will be an opportunity to spend time with our nursing and AHP teams, and visit the departments where successful candidates could be working.
