FREEDOM OF INFORMATION REQUEST FOI/012869 – Cancer referrals

How many urgent cancer referrals did the Trust receive from GPs each year in 2011, 2012, 2013, 2014 and 2015?

Year Referrals Received

2011 8727
2012 9879
2013 10461
2014 10839
2015 12217

This is the number of 2 week wait Referrals received at Dudley Group NHS Foundation Trust for the last 5 calendar years (Jan-Dec)

How many of these referrals each year were deemed, by the consultant or referral management panel, to not meet the criteria for an urgent cancer referral?

This information is not held – all referrals made as suspected cancer are seen on a 2 week wait pathway regardless
