FREEDOM OF INFORMATION REQUEST FOI/013196 – Non emergency patient transport

I am trying to establish some information regarding Non-emergency Patient Transport Services (NEPTS) and the costs to each NHS Trust. Can you therefore help by providing me with the following information:

1. Do you outsource your NEPTS work to private sector? - The service is commissioned and paid for by the CCG.
2. If you do outsource, when is your initial contract term due and can you tell me the maximum term granted for these contracts? - The CCG hold the contract
3. What is the annual value of your NEPTS contract? - The CCG hold the contract
4. Do you have plans to join with any other Trusts as part of your procurement? - Dudley CCG commissioned the contract jointly with Wolverhampton CCG.
