FREEDOM OF INFORMATION REQUEST FOI/013066 – Cost of patient food

Please could you tell me how much is spent on food per patient, per day. If the data is not recorded like this please can I have the closest information to what I have requested.

Patient meals are provided by our PFI partner as part of a comprehensive Facilities Management Service. The full range of services is paid by means of a single Unitary Payment which does not identify individual cost items.

Please could you also tell me how often menus are changed.

Menus are reviewed annually and changed to reflect changes in Government dietary requirements and following taste tests.
