FREEDOM OF INFORMATION REQUEST FOI/013151 – Services for women

As part of a national project to map services for women experiencing multiple disadvantage, I would like to request the following information from your organisation.

1) What services are you currently commissioned to deliver specifically for women affected by:
substance use problems – only these
mental health problems - N/A
homelessness - N/A
involvement in offending - N/A

2) For each type of service commissioned:

Who is the service manager and what are their contact details? - Elizabeth Punter - Elizabeth.Punter@dgh.nhs.uk

How many women can they support at any one time? –

It is difficult to put a number on the women who can be supported. Women who require support are given it, but it is a multidisciplinary approach involving the community midwife and sometimes other agencies too. The numbers of women and amount of support required varies considerably.

When does the current contract end? – March 2019

Please note this service is only offered in maternity
