FREEDOM OF INFORMATION REQUEST FOI/013167 – Paediatric operations

How many children's / paediatric operations have been undertaken within the last year in the trust -

Within the last year (1st December 2015 to 30th November 2016 inclusive) 1556 operations have been performed on patients under 18 years of age in the Trust operating theatres

Within the trust, which of the hospitals undertake paediatric surgeries -
Russells Hall Hospital and Corbett Out Patient Centre

Of these surgeries, how many required the patient to be in the Prone / Face Down Position

The Trust does not electronically record the position in which the operation is carried out so we cannot supply this information
