FREEDOM OF INFORMATION REQUEST FOI/013289 – Do not resuscitate

The number of patients who have been taken to the Royal Courts of Justice Court of Protection, to have a DNR placed upon their lives by your hospital./service. I would like to know if the patient had a Lasting Power of Attorney and the sex, age, ethnicity of the patients and the length of time each case took & outcomes of each case. From when the hospital/ service opened to the present day.

The Trust has not taken any such case to court.
