FREEDOM OF INFORMATION REQUEST FOI/013354 – Tattoo removal

Under the Freedom of Information Act 2000, I seek the following pieces of information in relation to tattoo removals at hospitals under the care of your Trust:

1. The amount of tattoos removed
2. The cost of removing tattoos

I would like this information broken down annually for 2014, 2015, and 2016.

The Dudley Group NHS Foundation Trust does not carry out tattoo removal as part of NHS treatment
