FREEDOM OF INFORMATION REQUEST 013394 – Money from third parties

I am researching NHS income for the cost of treating accident victims, including the process for recovering money owed from third parties.

Please provide the information requested in the attached excel questionnaire by completing and returning the document to me in excel format. Please provide all of the information that you are able, leaving cells blank where this is not possible and indicating in the notes column why this is not possible

Please note: The information has been provided by financial period and the Trust is unable to provide the data requested in respect of question 5 as the analysis is not provided by the DWP to the Trust re the questions below:

Total Trust income relating to third party patient incidents

No. of cases registered by the DWP Compensation Recovery Unit (CRU)

No. of settlements recorded by the CRU
