FREEDOM OF INFORMATION REQUEST 013417 – Birth weights

In the 2016 calendar year were there any babies born at your hospitals where the weight of the baby was 12lbs (5443g) or more

If so please state how many and what their birthweights were.

There were babies born in 2016 calendar year where the weight was 12lbs or more but due to the low numbers and to avoid any harm or distress to persons involved being potentially identified in the public domain the Trust will not be releasing the number of babies or the birthweights.
