FREEDOM OF INFORMATION REQUEST 013440 – Multispecialty Community Provider MCP Vanguard

I would like to make a request under the freedom of information act. Please acknowledge receipt of my email. The information relates to the delivery plan and financial template for Dudley Multispecialty Community Provider MCP vanguard submitted to NHS England in February 2017. In a letter to all national vanguards, sent on 20 February, new care models director Samantha Jones said NHS England would be in touch with each of them regarding their delivery plans and finalising financial templates. Please send me a copy of both the final delivery plan and financial template, referred to in the letter, which was submitted to NHS England in February.

The financial template should include information on predicted return on investment for the vanguard.

The Trust does not hold this information, Dudley CCG are the Vanguard not the Trust.
