FREEDOM OF INFORMATION REQUEST FOI/013690 – Agency nursing staff

I am writing to you on behalf of my client, to request some information from your NHS Trust, under the Freedom of Information Act 2000. Under this Act, we would like to request information regarding the use of 'temporary agency nursing staff', and whether the recruitment agencies used by your Trust over the last 12 months, were on one of the main NHS National Nursing & Social Care Framework Agreements, or whether they were 'non-framework agencies'.

As I am sure you are already aware, the Main National Framework Agreements for England include:

Crown Commercial Services (CCS)

Health Trust Europe (HTE)

London Procurement Partnership (LPP)

NHS (CPP) National clinical staffing Framework

We appreciate some of the frameworks also cover other types of staffing such as Doctors, Allied Health Professionals and Non-Medical, Non-Clinical staff, but we are only interested in your spend data directly relating to the use of 'agency nurses and healthcare assistants', supplied as part of your use of 'temporary staffing'. We would like to request that this information/spend data is supplied to us in the following format
