FREEDOM OF INFORMATION REQUEST FOI/013544 - Patients discharged between 10pm and 6am

I'm looking for the number of people aged 65+ who were discharged between 22.00 and 06.00, for each month between January 1 2016 and December 31 2016.

I further request the information, if possible, to be broken down into ages 65-74, 75-84, 85+ for the discharged patients.

Could I also have detail of how many patients were discharged to their home, to a nursing home, care home, rehabilitation, transferred etc. And whether their relatives were informed.

*Our patient administration system does not enable us to identify if discharged to their home, to a nursing home, care home, rehabilitation, transferred etc. OR whether their relatives were informed*
