FREEDOM OF INFORMATION REQUEST FOI/013654 – Medical devices

I'm trying to find out some information on the numbers and types of specific medical devices used across the Trust. Please be so kind as to fill in the below form

The information is typically held in the asset register kept by the EBME department (also called Medical Physics, Medical electronics, MEMS etc).  
 If it is easier, feel free to send a copy of the register instead of filling in the form.

Where numerous purchases have been made over the years, please provide the date of the largest/ most significant purchase  
 If you choose to send an asset register please ensure the document is editable and contains the make, model, quantity and purchase date

Please note on the table below:-

date purchased is when the majority of pumps were purchased and the value is the purchase price
