FREEDOM OF INFORMATION REQUEST FOI/013735 – Wait time from A&E to ward

1) For all patients who are admitted from A&E, what is the average time from arrival in A&E to getting a bed on a ward? I would like this data from the period of September 2011 to September 2012 and the period of September 2016 to September 2017

i) How many of these admitted patients went from arrival to a bed in under 4 hours?

(ii) How many went from arrival to a bed in under 12 hours?

(iii) How many went from arrival to a bed in over 12 hours?

The figures for these metrics are publicly available from the following where you also have the ability to compare over a greater period of time and benchmark against other NHS Hospitals:
