FREEDOM OF INFORMATION REQUEST FOI/013677 – Windows XP

Request Date Range: August 2016 - August 2017

If possible, could I please request the following information?

How many endpoints in the Trust are using Windows XP as an operating system and how many have been or are in the process of being upgraded to a more secure and up-to-date operating system. If possible could you provide the names of the operating system/s that have been used to upgrade the endpoints

Exemption (43) has been applied given it is commercially sensitive in that providing the information may compromise Information security.
