FREEDOM OF INFORMATION REQUEST FOI/013716 – Urinary flow test

I am writing to you today to request information relating to urinary flow rate test charges.

1. What is the charge made by the trust to CCGs for urinary flow rate test for prostate /hyperplasia and cancer patients?

- a. If it is within a tariff code please indicate code and tariff
- b. If outside tariff please indicate charge

All patients fall within HRG LB42A (Dynamic Studies of Urinary Tract, 19 years and over). The 17/18 outpatient procedure tariff is £173.99 (inc. MFF).
