Cataract Lenses Self Pay pdf document

Please note: Self funding

The Trust used to carry out private cataract procedures but this service stopped in 2016. There were however some procedures carried out in that year before the service stopped.

4a) How many YAG lasers associated with cataracts have you performed over the past 3 financial years (Per year)?

Using the OPCS codes "C7332 – Capsulotomy of posterior lens capsule" & "Y086 – Laser incision of organ", we have these figures for the YAG lasers:

Fin Year	Procedures
2015/16	126
2016/17	124
2017/18	157
Grand Total	407

4b The HRG tariffs for the yag laser patients are as follows:

2015/16 BZ04Z
2016/17 BZ04Z
2017/18 BZ33Z

All 3 tariffs are for a standard payment by results (PBR) outpatient procedure tariff.

Cataract Services pdf

In response to waiting times:-

Data within the RTT system does not show the intended surgery from the referral. We do not hold data in a format that allows interrogation of data based upon surgery/procedure the patient is waiting for. Find information for all Trusts Consultant -led referral to treatment waiting times, under the following link, by scrolling

down to the relevant :
