

Date: 25/04/2018

FREEDOM OF INFORMATION REQUEST Ref: FOI/014007 – Junior Doctor monitoring

This is a request for information sought pursuant to section 1 of the Freedom of Information Act 2000.

For the calendar years 2012 and 2013 and in relation to all Doctors in Training (save for on call rotas)  
Please provide/confirm:

1. A copy of the relevant shift rotas. - We do not hold this information centrally for the years requested.
2. A copy of any reports (including the raw data, narratives and results) of any monitoring rounds conducted relating to the relevant rotas over the relevant period. - We do not have any available copies. Each individual monitor round would be specific to the individual concerned and held on their personal file.
3. The outcome (ie the banding) of the relevant monitoring rounds for each rota. - There are no details available on file – same as point 2.
4. Whether there have been any banding appeals for the respective rota/monitoring rounds (and, if so, the outcome (s)). - There are no appeals recorded for the dates specified.
5. A copy of any policies applied in relation to monitoring. - The policy is being updated in line with TCS 21016. Policy relating to the old contract (to which this request refers) attached.
6. A copy of any other material on monitoring sent to doctors participating in monitoring exercises either at commencement of contract or prior to monitoring exercises. Please see attached guides.

For the calendar year 2012 to present date and in relation to all doctors in training (save for on call rotas) Please confirm:

1. What system(s) have you used for the purpose of hours monitoring (eg Allocate, DRS) - Allocate
2. For what period(s) this system/these systems was /were in use. Allocate (previously Zircadian) – 10 plus years
