I am writing to request the following information under the Freedom of Information Act from your trust.

1. During the financial year 2016/2017 or last full year figures, what:

a. Was the total number of emergency admissions for people in the last year of life?
7361 Admissions, 3898 unique patients

b. Was the total number of emergency bed days for people in the last year of life?
57881 bed days [again, total figures are 179581]

2. During the financial year 2016/2017 or last full year figures, what was the total number of people in the last year of life admitted from a care home setting as an emergency

We cannot answer this question as there is not a reliable way to record that an admission was from a care home setting
