FREEDOM OF INFORMATION REQUEST FOI/014131 – Potholes

1. Please detail the annual cost to your Trust of a) damage directly caused by potholes and b) repairing potholes, in each financial year since 2010.

N/A - All of the Trust's FM Services are provided by our PFI Partner, Summit Healthcare. The Trust's contract with Summit Healthcare started on 17th May 2001 and expires after 17th May 2041.

2. Please detail how many potholes there are across your estate in total at the current time.

IFM Estates do an annual inspection of all roads & pathways to highlight and repair any issues, approximately there are currently below 10 potholes.

3. How many potholes have been reported on your estate each year since 2010?

On average we have had around 10-20 pot holes reported or spotted on annual inspection

4. What is the diameter of the largest pothole currently on your estate? Please also provide details of the size of the largest pothole which has existed on your estate since 2010.

The largest pothole which was found on the annual inspection was 600mm length by 300mm width in a circular shape, when found a temporary repair was done to make safe and has now been repaired by a contractor as with the other potholes

5. Please outline how many occasions there have been when you wished to repair a pothole, but due to funding shortages the pothole was not repaired or the repair was delayed - N/A
