FREEDOM OF INFORMATION REQUEST FOI/014170 – ADHD waiting times

Under the Freedom of Information Act 2000 I am requesting the following information as 5 separate requests:

1. How many diagnoses of ADHD were there in the Trust in each of the last 10 years
2. How many children and adults are currently waiting for an ADHD diagnosis
3. What is the average wait for an ADHD diagnosis for Children
4. What is the average wait for an ADHD diagnosis for Adults
5. What is the Trust target time for an ADHD waiting time

The Trust is unable to answer your questions, we do not routinely electronically record diagnoses against referrals and clinics, we have an RTT obligation to begin to treat 92% of all eligible patient within 18 weeks of referral
