FREEDOM OF INFORMATION REQUEST FOI/014180 - Data visualisation tools and spend on Business intelligence 2017/2018

1. Please could you provide me with a list of dashboards* the organisation uses and how many users per dashboards there are?

*(A data dash board is an information management tool that visually tracks, analyses and displays key performance indicators (KPIs), metrics and key data points to monitor the health of a business, department or specific process. In terms of a list tools Exemption (43) has been applied given it is commercially sensitive in that providing the information may compromise information security.

The number of how many users is not recorded.

Please could you provide the monthly agency spend for Business Intelligence for the financial year 2017/2018?

Informatics spend no money on agency staff
