

Committed to Excellence 2019 – Criteria

Excellence in Patient Care

Do you know a colleague who puts patients at the heart of what they do? This award recognises an individual who has made an outstanding contribution to patient care and patient experience.

Team Excellence

Has a team demonstrated true team spirit? This award recognises excellent and effective performance by a team while implementing an improvement or delivering something of real benefit for patients and/or the Trust.

Excellence in Business Development

Who do you know who champions change? This award recognises a team or individual who has successfully implemented change that has led to significant improvement in quality, safety, patient care, patient experience, productivity and efficiency.

Unsung Hero – Clinical

Do you know a jewel in a team in a clinical role? This award rewards an individual, who demonstrates excellent leadership skills and strives to make changes to help improve patient experience.

Unsung Hero – Non-clinical

Do you know a jewel in a team in a non-clinical role? This award rewards outstanding contribution of an individual, someone who demonstrates excellent leadership skills and strives to make changes to help improve patient experience.

Steve Ford Volunteer Award

Do you know a Trust volunteer who stands out from the crowd? This award recognises the important contribution of an individual volunteer who regularly exceeds expectation.
