FREEDOM OF INFORMATION REQUEST FOI/014232 – Disorders of sex development

Please see response at bottom of page

1. Who provides expert evaluation of gender assignment in newborns with Disorders of Sex Development?
2. Does the trust use a multidisciplinary team that deals with the evaluation and long-term management and needs of patients with Disorders of Sex Development?
3. If yes to question 2, can you provide contact details for the team?
4. What specialties are represented on the multidisciplinary team (e.g. paediatric subspecialists in endocrinology, surgery, and/or urology, psychology/psychiatry, gynaecology, genetics, neonatology, and, if available, social work, nursing, and medical ethics)? Please list them.
5. When dealing with Disorders of Sex Development, what guidelines, if any, do decision makers follow?
6. How many people are referred to this team per year (please give numbers for the last five years)?

Children with Disorder of Sex development are referred to the multidisciplinary team at Birmingham Childrens Hospital .

The Trust refers at least one child per year to BCH.
