(See below for the guidelines for rota design\*\*\*) Please provide these figures for 2016, 2017 and 2018 to date.  
2018 – None to date.

Please provide the stated value of the contract, the nature of the contract and whether the bid was successful or not. –

We do not maintain a separate register or record of all work tendered for and therefore cannot provide the information you require.

- Please provide details of all occasions where external consultancy has been used to support the development of a contract bid or used during any stage of the process. Please break this information down by the name of the consultancy used, the cost of using the firm and the outcome of the bid.
