

Help us test an NHS Survey

Have you spent a night in an NHS hospital in the last six months? If you are over 16 years old, we would like to hear from you.

We're testing a new questionnaire and we need some help. We want to know what is important to you regarding your experience of the care that you received when staying in hospital.

This would involve an informal, one to one chat of about an hour, at a location convenient to you during April and May 2019.

As a thank you for your time you will be given a £25 'love to shop' or Amazon voucher.
