FREEDOM OF INFORMATION REQUEST FOI/014335 – CAUTI

Under the Freedom of Information Act, please could you provide the following information for all the Trusts you cover:

1. What is the average length of time per patient to assist with a CAUTI? - Data not recorded
2. How many nosocomial CAUTIs were there in your trust last year? What is your position on the safety thermometer for CAUTI? - Please see attached
3. What 3 main actions have the trust deployed or is planning to deploy to reduce nosocomial CAUTIs? - the Trust has in place a catheter care bundle, monthly high impact intervention audits on urinary catheters and is just launching a health economy wide catheter passport
4. What is the impact on increased length of stay for an average patient in your trust with a CAUTI – how many days on average? - Data not recorded
5. What is the increased per patient cost of a nosocomial CAUTI? (e.g. extended hospital stay, nursing time, drug treatment, bed blocking etc.) - Data not recorded
