FREEDOM OF INFORMATION REQUEST FOI/014928 IT/ICT strategy

Regarding these documents, please provide the most recent version of the document. I'd like to see the following documents:

1. ICT/IT Strategy - The ICT/IT department's strategy or plans; highlights their current and future objectives. Please go to the Trust website <http://www.dgft.nhs.uk/trust-strategy-2019-21/> The Trust is also part of the Black Country Sustainability Programme, for further details please go to the Trust website <http://www.dgft.nhs.uk/patientsand-visitors/how-were-doing/sustainability-and-transformation-plan-stp/>
2. ICT Org Chart - A visual document that represents the structure of the ICT/IT department; please include name and job titles. If names can't be provided, a job title only chart is still of use. - Please see attached
3. ICT Annual or Business Plan - A sort of action plan, based on the ICT/IT strategy for the year or near-future. - Please see response to question 1
4. ICT Capital Programme/budget - A document that shows the financial budget on current and future ICT/IT projects. - To see Annual Report please go to the Trust website <http://www.dgft.nhs.uk/aboutus/publications/annual-report/> and search by capital and digital

If some of these documents are not available, please let me know why. Also, if the document is intended for future publication, please let me know a rough date of when the document's publication is planned.
