Main duties of the	Each junier has reaponability for each of all nations in a 12 hadded have and
placement	Each junior has responsibility for care of all patients in a 12-bedded bay, and cross-cover of colleagues when on teaching days, OP clinics etc.
	There is on average one OP clinic per week for each ward junior, where the junior sees mainly new patients and presents the cases to the consultant.
	The working day starts between 8.15 am and 9 am, depending upon which consultant is on duty; the earlier start times are compensated by earlier finish times and/or a half-day off in lieu.
Typical working pattern in this placement	Full shift with on call commitment, together with an individual Work Schedule being issued.
Employer information	Based in the heart of the Black Country, The Dudley Group NHS Foundation Trust is the main provider of hospital and adult community services to the populations of Dudley, significant parts of the Sandwell borough and smaller, but growing, communities in South Staffordshire and Wyre Forest.
	The first hospital trust in the area to be awarded coveted Foundation Trust status in 2008, we provide a wide range of medical, surgical and rehabilitation services.
	Currently the Trust serves a population of around 450,000 people from three hospital sites at Russells Hall Hospital, Guest Outpatient Centre in Dudley and Corbett Outpatient Centre in Stourbridge. The Trust provides the full range of secondary care services and some specialist services for the wider populations of the Black Country and West Midlands region. The Trust also provides specialist adult community based care in patients' homes and in more than 40 centres in the Dudley Metropolitan Borough Council community.
	Our hospitals are among some of the most technologically advanced in the country, where state-of-the-art equipment and modern, purpose-built buildings combine to create the highest standards of patient care.
	In a year we
	deliver 4,700 babies
	 see around 500,000 outpatients
	 treat almost 100,000 patients in our emergency department
	 maintain our 13,000 Public Members

It is important to note that this description is a typical example of your placement and may be subject to change.
