FREEDOM OF INFORMATION REQUEST FOI/014390 – Lip augmentation

I'm just getting in touch regarding a Freedom of Information request I hope you can help me with please.

Please could you send me figures of how many lip augmentation procedures were carried out by your trust over the last five years via email?

Would it also be possible to have those figures broken down by each year, by cost, and by the reason for the procedure please?

The Trust does not carry our cosmetic procedures
