Please can you tell me how many violent incidents against staff at the trust's A&E departments have been recorded each year over the past five years. - To see previous response please go to the disclosure log on the Trust website <http://www.dgft.nhs.uk/about-us/freedom-of-information/disclosure-log/> and in the search box type in 014715

Please include the nature of the violence (e.g. verbal, physical), - To see previous response please go to the disclosure log on the Trust website <http://www.dgft.nhs.uk/about-us/freedom-of-information/disclosure-log/> and in the search box type in 014715

whether the police were called - To find this information each individual incident would need to be viewed. This would involve accessing incident data and person identifiable information for a reason other than the system was intended for, which is exempt under FOI Exemption Section 40 Personal information

and what action was taken against the perpetrator - The Dudley Group NHS Foundation Trust does not hold this information

Please note the Trust is not a Mental Health Facility

Please can you tell me over the last five financial years how many people with a dementia diagnosis have been detained under the Mental Health Act 1983 under section 2 or section 3 of the act. Please specify whether section 2 or section 3 was used. - As per NHS Digital rules the Trust does not publish numbers lower than 5 as this could lead to the identification of the persons in question.

Please specify where each person was detained e.g. hospital name - Russells Hall Hospital

Please can you also tell me how many people with a dementia diagnosis who were detained under the Mental Health Act have subsequently been turned down for after-care by a care home and if more than one care home has turned down after-care please can you state how many homes have done so. - Information not held

Please can you tell me how many of the following device - PCS2 Plasma Collection System from a company called Haemonetics - the trust has used over the last 10 years and how many of these devices are currently in operation. -  
- None

Please provide a figure for each year over the last 10 years. If possible, please also state how many patients have had this device used on them. - N/A
