**Patient Information Leaflet**

You are under the care of the Skin Cancer Department, and your care is managed by the Skin Cancer Multidisciplinary Team (MDT). The team consists of:

- Consultant plastic surgeons, consultant dermatologists, a consultant histopathologist (who interprets biopsies), a consultant radiologist (who interprets X-rays and scans), a consultant oncologist (who provides cancer treatments), a clinical nurse specialist and an MDT coordinator.
- The team meets weekly to discuss the most appropriate care for our patients based on the information from doctors' examinations of you, biopsies and scans/X-rays and other investigations.
- We discuss all new patients and those patients whose condition has changed.
- An appointment will then be made for you to discuss the most suitable treatment with your consultant.

If you require any more information, or wish to contact a member of the team, your first point of call should be the specialist nurses or your consultant's secretary.

If you would like a permanent record of your consultation, e.g. a copy of a letter, please ask when you see your doctor or nurse. This summary letter can be made available in large print, audio version or other languages. Please ask if required.

<b>Name</b>	<b>Role</b>	<b>Contact No</b>
CNS Lucy Smith	Skin cancer clinical nurse specialist	01384 456111 ext. 3088
Sr Linda Pallett	Skin cancer sister	01384 456111 ext. 3088
