

Freedom of Information request 014586

6/2/19

I am writing to kindly request the information you hold on the following, within the 18 hour limit, under the provisions of the Freedom of Information Act, 2000:

1) The total number of adult emergency and elective inpatient beds across the Trust, excluding maternity (and paediatric) beds.

- 647 as at 5/2/19

2) The total number of adult emergency and elective 'inpatient episodes' within the most recently recorded 12 month period, excluding maternity (and paediatric) episodes.

2018	January	5972
2018	February	5200
2018	March	5503
2018	April	5298
2018	May	5423
2018	June	5455
2018	July	5751
2018	August	5768
2018	September	5240
2018	October	5792
2018	November	5674
2018	December	5650

Only inpatient episodes, year 2018, age 16 and above

Admission method does not include:

- . Maternity admissions (admitted ante-partum and admitted post-partum)
- . The birth of a baby in this Health Care Provider
- . Baby born outside the Health Care Provider except when born at home as intended.
- . Transfer of any admitted PATIENT from other Hospital Provider other than in an emergency

3) The number of emergency and elective 'inpatient episodes' belonging to adults aged 65 years or over, within the most recently recorded 12 month period.

2018	January	3517
2018	February	3030
2018	March	3158
2018	April	3052
2018	May	3120
2018	June	3055
2018	July	3197
2018	August	3201
2018	September	2866
2018	October	3176
2018	November	3200
2018	December	3248

Only inpatient episodes, for year 2018, ages 65 and above

Admission method does not include:

- . Maternity admissions (admitted ante-partum and admitted post-partum)
- . The birth of a baby in this Health Care Provider
- . Baby born outside the Health Care Provider except when born at home as intended.
- . Transfer of any admitted PATIENT from other Hospital Provider other than in an emergency

4) Of the number of emergency and elective 'inpatient episodes' belonging to adults aged 65 years or over within the most recently recorded 12 month period, how many of these required a domiciliary social care package to be implemented prior to discharge?

The database we utilise does not capture the age of patients.

5) The sum of the number of days each inpatient bed was occupied by an adult aged 65 years or over whilst he/she was deemed 'medically fit for discharge' but was unable to be discharged due to inadequate social care provision, in the most recently recorded 12 month period. (Please give data separately for each emergency and elective bed types if readily available, otherwise combined data is acceptable).

- The database we utilise does not capture the age of patients

- Information on discharges can be found at <https://www.england.nhs.uk/statistics/statistical-work-areas/delayed-transfers-of-care/statistical-work-areas-delayedtransfers-of-care-delayed-transfers-of-care-data-2018-19/>

6) The average cost of an inpatient bed occupied by an adult aged 65 years or over, per 24 hour period, for each emergency and elective beds (or emergency and elective beds combined if separate data is not readily available).

- Costs are not split in this manner so unable to answer.

7) The name(s) and email address(es) of the Trust's 'Lead Discharge Co-ordinator(s)'. –

- Karen Fletcher Lead Nurse Discharge Team - karen.fletcher4@nhs.net

- Gregg Marson Trust Lead for Hospital Discharge - g.marson@nhs.net
