

Information on anaesthesia for children, parents and carers

Anaesthetic Department

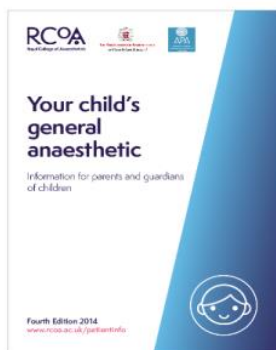

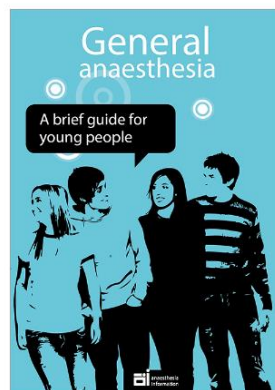

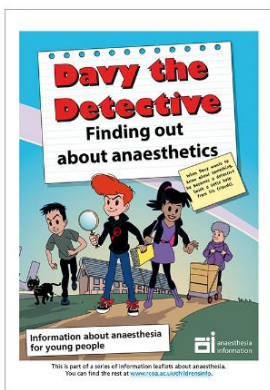

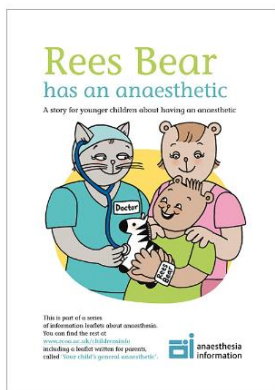

If you would like this information in an alternative language or format, for example in large print or easy read, please call us on 0800 073 0510 or email dqft.pals@nhs.net or write to Patient Advice and Liaison Service.

We understand that having surgery or a procedure can be a worrying time for both parents/carers and your child. We suggest you read the following information guides so you and your child know what to expect when they come into hospital to have a general anaesthetic.
