FREEDOM OF INFORMATION REQUEST FOI/014747 - No-Deal Brexit impact assessments

I am writing to make an open government request for information to which I am entitled under the Freedom of Information Act 2000.

It has been reported that all NHS Trusts have compiled information about the impact on the supply of goods and services and on EU staff numbers collected by NHS Trusts, in preparation for a no-deal Brexit as well as self assessments of the impact of the UK's withdrawal from the European Union.

I would therefore like to request:

1. The full report of a no-deal Brexit impact assessment
2. Other self-assessments on the impact of Brexit;

I would like to request that the above information be provided to me as both paper and electronic copies. In addition, if the release of any of this information is in your view prohibited on the grounds of breach of confidence, please supply me with copies of the confidentiality agreement or "gagging order" placed. I hope the NHS Trust and the Government will also consider, whilst dealing with this request, what conclusion the British people should draw about its findings if it fails to publish the list of sectors, scope of the analysis and the reports so far completed.

To see a previous response on Brexit please go to the disclosure log on the Trust website <http://www.dgft.nhs.uk/about-us/freedom-of-information/disclosure-log/> and in the search box type in 014620
