FREEDOM OF INFORMATION REQUEST 014783 – Dystonia

Within your organisation, how any patients have been treated / seen by a neurologist at the Dudley Group from 1996 - present with some form of dystonia?

Not known. There are neurology outpatient clinics at the Trust but outpatient appointments are not routinely coded so we would not know what a patient was specifically seen for. The Trust does not have neurology inpatient facilities.

Could you please provide me with an email address for someone in neurology, whether this is a secretary or manager - For further details please go to the Trust website <http://www.dgft.nhs.uk/services-and-wards/neurology/>
