3. How does the Trust source any cancer-related Nurse agency requirements? I request your answer include any frameworks that you use along with the number of SLAs you have in place with providers. - The Trust only uses approved Heath Trust Eurpoe (HTE) agencies, the Trust uses only one Agency to provide cancer-related nurses. All Chemo shifts get charged at a specialist rate

4. Based on your answer above, can you confirm the number of incidences whereby your agency need has been charged above NHSi cap, broken down per shift on a monthly basis i.e. April 2018 = 25 shifts. - All shifts attached are above the NHSi cap rate, as they fall within the specialist area.

5. Who is responsible for making the decision on which agency/recruitment business to use to fulfil your agency nursing requirements. Please include name and contact details (email and telephone number where possible). - Tina Sharma, Staff Bank & Rostering Manager. T.sharma@nhs.net
01384 456111
