FREEDOM OF INFORMATION REQUEST FOI/015507 - Covid deaths

Hello, under the freedom of information request I would like to know how many people have died of covid19 as the only cause of death in the Dudley Borough NHS Trust in 2020.

'Covid only' deaths - the Trust does not hold/record this information centrally in a reportable format. An individual case note analysis would be needed and this would be exempt as it would also exceed the appropriate cost limit as specified in Section 12. In addition the Trust is also applying section 14 (1) oppressive burden on the authority
